

TREK KILIMANJARO

CONDITIONS OF ENTRY

1. For this challenge we require a non-refundable registration fee (amount detailed in the Classic Challenge registration pack). This should be enclosed with your Registration Form.
2. There are two payment options for this challenge. Please indicate which one you have chosen **by ticking the appropriate box on the Registration Form:**
 - A) Option 1**

You will pay the registration fee yourself, as detailed in the Classic Challenge registration pack and commit to raising a minimum sponsorship in aid of your chosen charity. You will need to discuss with your chosen charity what the minimum sponsorship level will be. We suggest the minimum sponsorship detailed in the Classic Challenge registration pack. Payment for your tour cost will be due from your chosen charity at 9 weeks prior to departure. We will invoice you directly for the airport tax and payment for this will be due at 9 weeks prior to departure. You will pay all your sponsorship money to your chosen charity, not Classic Challenge. Your chosen charity will need to receive 100% of your minimum sponsorship by 10 weeks prior to departure. Until your charity receives 100% of the minimum sponsorship and Classic Challenge receives your airport tax your place on the challenge is not confirmed.
 - B) Option 2**

You will pay the full tour cost of the challenge yourself. Cost detailed in the Classic Challenge registration pack (including the registration fee) plus airport taxes. You will also be asked to raise as much sponsorship as you can for your chosen charity, but there is no minimum sponsorship requirement. You will pay all your sponsorship money to your chosen charity. Payment for your place will be due at 9 weeks prior to departure, we will invoice you for the tour cost plus airport taxes.
3. Please note that airport tax is a combination of flight taxes (airline insurance / security tax / fuel cost and tax). This is subject to change up until the point that you are invoiced directly for the airport tax 9 weeks before departure.
4. The tour cost is based on a minimum of 20 people taking part. If the number falls below this level the tour cost may increase.
5. You **MUST** notify your chosen charity that you will be participating in this challenge, raising funds in their name and discuss your payment option with them. They may require you to sign their terms and conditions.
6. Upon receipt of your Registration Form we will seek written confirmation from your chosen charity that you have contacted them, they have authorised you to raise funds in their name, they are aware of how you are funding the challenge and, if applicable, that they will be invoiced for the balance of your tour costs. Once we have received this from your charity we will confirm your successful registration.
7. All funds raised in connection to this challenge should be paid directly to your chosen charity.
8. When fundraising you **MUST** make clear to donors what proportion of funds raised are going to the charity and how much towards costs.
9. Should you, for whatever reason, cancel your place on the challenge, the cancellation terms are set out in the Classic Challenge Booking Conditions.
10. If your tour cost is being paid by the charity out of your sponsorship money, if you withdraw in circumstances where recovery of cancellation charges is indemnified under your travel insurance you hereby agree that you will co-operate in the recovery of these charges from the insurers and any sums recovered under the policy will be paid to the charity.
11. Should you have to withdraw, all sponsor forms and monies should be forwarded to the charity or returned to the sponsors.
